

# TODDLER

## NOTES TO PARENTS:

Wow how the first month of the school year has flown by! The toddlers are the youngest learners to shine brightly in our school. It will be a great year full of new friends, new adventures, and discoveries for your child. We have music and movement lessons every Tuesday and Thursday. We have started off the term looking at high and low music notes.

Please feel free to contact me if you have any questions.

## IMPORTANT:

Please remember to send a hat and sunscreen for your child.

## PROGRAM:

We are roaring into the month of September with animals around the world as our theme.

In this theme we will go through the common animals and their habitats and we will explore the sounds the animals make, sizes, colours, weight and length of these different animals.

Our favourite books – dear zoo and jumbo jungle colors.

Our favourite songs – Tiger tiger.

## CALENDAR:
