

# Toddler class

October 2018

## WHAT WE ARE LEARNING

October is here and we have a fun filled month ahead. Our theme for the next month is where are you from? Discovering our different backgrounds through song, dance, dress up and food. Preparing us for culture day at school where children and parents will come together and experience other cultures too.

## HOMEWORK

Toddlers spend all their time exploring. Here are a few ideas to try at home

**Moon sand**. A different textured dough to enhance fine motor skills and sense of touch.

**Painting with ice**. Help cool down on a hot summer's day while being creative.
