Christmas Sock Exchange

On the last day of school, the children will be participating in a sock exchange. The idea is for them to bring a pair of decorative socks that could either be given to a girl or boy. The socks are to be stuffed with festive goodies like sweets, small toys, etc. They will then exchange the pair they brought with a friend and everyone will go home with a gift from someone else! Please limit the sock stuffings to a value of k50. These can be sent in anytime before Dec 14th.
