Classroom News

Welcome back to school! Hope everyone had a wonderful holiday. We are off to an exciting start in our new school.

We have implemented a new drop off routine. Parents are now welcome to drop their children off at reception where one of their teachers or teacher assistants will escort them to class.

Please note that pick-up will be at the classroom. We would like to welcome Ms Sylvia, our new art and PE teacher and Ms Susie, our new preschool class teacher assistant to our team.

We will be focusing on Grace & Courtesy for the first week of school. We will then move over to Nursery Rhymes starting with the Itsy Bitsy Spider.

Please follow our WhatsApp group in order to stay up to date with our latest class news along with our letter of the week and more.

Special dates

School opens – 15th
January 2019.

We love to keep in touch! Our school has an open door policy. We always happy to have a chat with our parents if they would like to discuss anything with us before or after class.
