## November

### What's new

October has been a fun Month in the toddler class and it feels like it went by so quick.

This month we look forward to learning what happens on a farm planting and tasting vegetables most of all giving thanks for all we have.

With the season for giving coming up please remember we are collecting items for the children's cancer ward at UTH for our cosmic project this year .

### Birthdays

Ameena :4 November .

Wang: 9 November .
