Now that all our little friends have settled in, we would like to ask parents to drop their children at the reception or classroom door. No parents will be allowed in the classrooms (unless absolutely necessary). We are trying to minimize adult interactions as much as possible for the safety of all. Pick up will be from the classroom entrance.

Please remember to pack a healthy snack and lunch for your child (if they are staying for the extended day). A healthy snack is vital for a child's development.

Happy  Halloween
