

# December 2020

## Toddler class news letter

### Theme news .

This month our theme is Christmas fun .We will be exploring different objects used during Christmas time , learning about each others holiday tradition's, by decorating ,baking , exploring different scents and creating over the next few weeks .

Please ensure that you follow all MOH regulations if you and your family will be traveling over the festive break . We would love to have all our families safely back at school in the new Year .

Just like that the term is over, but we had an amazing time. With so many new friendships created , memories made and miles stones achieved we cannot wait to see what 2021 has in store for the toddler class.

Please remember we are still collecting items for the Leopards rock community school .

Thank you for all your support this term, best wishes for a wonderful safe holiday and happy New year from the Toddler team!
