## class newsletter

We can not believe how fast this year has past by. We are grateful for all our families and students hard work this school term. We have a few exciting themes coming up over the next few weeks, Needs vs Wants, Christmas and Hannukah. We would love for parents to come in and share how they celebrate during the festive season. Please let your teacher know if you would like to participate.

Please ensure that you follow all MOH regulations if you and your family will be travelling over the festive break. We would like to open school on time without any delays due to COVID-19.

We are still collecting items for the Leopards Rock Community school. If you have any questions please contact me.

We will be doing a sock exchange this year. Please fill a child sized sock with items valued between k50 – K100 and send it to school. Each child will receive a sock on the last day of school.
