

# FEBRUARY 2021

## Class newsletter

Welcome back everyone!

Firstly we would like to thank our parents for your patience and commitment during our online programme last month. We are so glad that we have been able to open our classroom doors to our little friends again. The children are enjoying being in class again and interacting with one another while keeping safe.

We have lots of exciting themes this month. These include Apples, 100th day of school and Ice cream.

### Upcoming Events

12th February- Dress up in red, pink and white to celebrate valentines day.

12th February- Celebrate our 100th day of school with a round robin.

### Birthdays!!

01 February- Zola  
09 February- Josef

Due to the covid situation we will not have birthday circles with Parents. This is to minimize adult interactions as much as possible for the safety of all. However Parents have the choice to join the birthday circle via google meet. In addition, if you would like to send a snack for their birthday please ensure it is in a sealed packet.

We are glad to have everyone back in school. At the same time it is very important that we adhere to the covid regulations.

- Please keep in mind that all children should be wearing a mask or a visor at school.
- All children should be dropped off and picked up by the reception.
- School will run through from 07:15 to 12:00. There will be no afternoon activities until further notice.

We thank you for all your patience and cooperation.
