Classroom News

Another month has come and gone. Parents school has been absolutely great. Our friends are having the best of times in the classroom.

We have a few exciting themes up our sleeves this month. We will be starting off with the Solar System. We will then be moving over to Opposites and finish off the month with African Animals..

We would like to thank parents once again for your continued support!

Special Note:

Parents please remember to pack a healthy snack and lunch for your child. A healthy snack is a vital part to the on going development of our children
