

TODDLER NEWS

Hello September !

The first few days of school have flown by and we gladly welcome September . We look forward to warmer days and lots of fun in the sun .

All our friends are slowly finding their place in the classroom environment , exploring and making new friendships .

This months themes are pets and fun with trucks .Please feel free to further expand this theme at home with your child .

Songs we love !

*Zoom zoom zoom , we're going to to the moon .

Toddler chat .

Each month we will cover a few topics we all experience on a daily with a toddler . This month I would like to touch on independence .

Every area in our classroom is designed to encourage independence . From the time your child walks into our class , they are given the opportunity to attempt ,and problem solve on their own . (Washing their hands , finding their snack , a place to sit and eating on their own is one example .)

We allow our toddlers to care for themselves and the environment .This in turn breeds self confidence , self awareness and independence . So please do give your little one a chance to carry their own bag , help prepare their snack and eat it alone too ! Let them try and take off and put on their shoes alone a little goes a long way .

Let's aim to have confident and independent children !

"THE GREATEST GIFTS WE CAN GIVE OUR CHILDREN ARE THE ROOTS OF RESPONSIBILITY AND THE WINGS OF INDEPENDENCE."

—DR. MARIA MONTESSORI
